MSME Law & Compliance

PRACTICE, RISK MANAGEMENT AND LITIGATION

ABOUT THE COURSE

This one credit course provides an in-depth exploration of MSME law, compliance, and dispute resolution. Designed to bridge the gap between statutory provisions and practical execution, the program covers key aspects of Udyam registration, regulatory frameworks, risk management, and litigation before MSEFCs. Participants will gain actionable insights into handling delayed payment references, navigating the interplay between the MSMED Act and IBC, and enforcing arbitral awards. Master practical legal strategies to effectively safeguard business cash flows and advise MSME mandates.
