

XAVIER LAW REVIEW

Consent to Publish & Transfer of Copyright

XLR hereby requests the Author to complete and return this form.

Title of contribution _____

Name and

Affiliation Author(s) _____

1. The Author agrees to assigns the copyright of the Contribution to Xavier Law Review. Xavier Law Review shall have the exclusive right to publish the said Contribution and any translations (if required) of the Contribution wholly or in part thereof, throughout the world during the full term of copyright including renewals and extensions and all subsidiary rights, subject only to the following.
 - a. The Author retains the right to republish the Contribution in any printed collection consisting solely of the Author's own Works without charge and subject only to notifying the Publisher of the intent to do so and to ensuring that the publication by the Publisher is properly credited and that the relevant copyright notice is repeated verbatim.
 - b. In the event of receiving any other request to reprint or translate all or part of the Contribution XLR shall endeavour to obtain the approval of the Author prior to giving any such permission.
 - c. The Author guarantees that the Contribution is original and has not been previously published elsewhere, or that if it has been published in whole or in part, any permission necessary to publish it in the Work has been obtained and provided to XLR together with a statement of the original copyright notice during the time of submission of the contribution.
2. The Author is solely responsible to declare the details of the co-author (if any) and confirm that the said person has provided full consent free from any influence to use his name in the Contribution to be published by XLR.
3. The Journal and publisher will not take any responsibility arising from any mistakes at the proof stage that the author does not identify upon returning the proofs howsoever the mistake transpires. The author is solely responsible at this stage to identify any mistakes. The return of the proofs without more will be deemed as an approval by the author that all is correct in the article for the purposes of publication.
