ABOUT THE FOUNDER

HON'BLE Mr. JUSTICE MURTAZA HUSAIN

Unity P.G. College, one of the city's sought after colleges, is dedicated to the pursuit of the overall development of its students and its noble mission of educating the society for a brighter tomorrow. Built upon noble ideals, it continues the legacy of its founder, Justice Murtaza Husain.

Our honourable founder was born on 8th December, 1920 in the historical town Faizabad, India. After completing his LL.B. from Canning College, Lucknow, he became a Munsif in the year 1944. In 1968, he became District Judge, in the year 1976, he was elevated as a Judge in Allahabad High Court. After his retirement, he was appointed Lokayukta of Uttar Pradesh for six years.

His decisions in some of the very complicated litigations are and will always remain landmarks in the history of Law. He was a voracious reader and a connoisseur of English, Urdu and Persian literature and poetry. He authored many books on different subjects in addition to his autobiography.

In 1996, Unity Technical Institute Society was established by him with the main objective of providing professional and technical education to all, especially to those belonging to the minority communities and other educationally backward classes.

Thereafter, in the year 1998, Justice Murtaza Husain founded Unity Degree College. Unity Degree College was the first self finance minority institution of North India. Today, the College is a Post Graduate college, having been upgraded in 2018. Unity P.G College is his dream child. He often used to say that he loved the College as intensely as he loved his children. He was a saint by all standards who spent the earnings of his lifetime in establishing this institution. His legacy will carry on through his values, thoughtfulness and compassion for all persons which find manifestation in the deeds of his lifetime. We all are proud to be a part of his mission.

UNITY P.G. COLLEGE, LUCKNOW

Unity P.G. College, Lucknow is the first college in Lucknow to institute a five-year integrated program of law under the aegis of Lucknow University. Since its inception, the faculty has been developing through the guiding light of its founder, Justice Murtaza Hussain. Our sincere endeavor has been to make legal education an instrument of social, political, and economic change, and to craft future lawyers who will be competent in the art of advocacy at both the trial and appellate levels and skilled in judicial administration.

The college has been successfully running both the Integrated 5 years course and the Three years law course. Apart from academics, the college conducts seminars, conferences, debates, and moot court competitions at the national level to inculcate advocacy skills in the students.

At the heart of our work remains our collective commitment to students and their success. Apart from the classroom lectures, the faculty works constantly to provide academic guidance to its students in the form of notes and recorded lectures. The students are also engaged in various co-curricular activities conducted by the college.

Our students shall work as a catalyst in the country's mandate to achieve its developmental goals. Last but not least, the primary mission of the college remains to create socially relevant lawyers, who will not only enter the Bar and the Bench but also be equipped to address the imperatives of the new millennium and uphold the Constitution of India.
