About the Competition

G L Bajaj Institute of Law, debating society in collaboration with Jaggi Jaggi and Jaggi Attorneys – Triple J, organises Basant Kumar Jaggi National Turncoat Competition, celebrating advocacy, adaptability, and the art of persuasive argumentation

Basant Kumar Jaggi National Turncoat Competition, 2026 is being conducted to commemorate Late Mr. Basant Kumar Jaggi who practiced throughout his life with the utmost uprightness, farsightedness, integrity & moral ethical values.

The Competition will be held to uphold the values of practicing with the utmost integrity & diligence. He believed “LAW IS A NOBLE PROFESSION. THOU SHALT NOT EVER SOLICIT”.

Turncoat is a fast-paced speaking competition that tests a participant’s command over a subject, quick thinking, and persuasive ability under pressure. Each participant is assigned a topic and must first argue in favour of it — and then, on the judges’ signal, flip their position and argue against the very stance they just defended, without any break in flow.

Unlike a conventional debate, Turncoat does not reward participants for picking a side and sticking to it. It rewards the ability to see both sides of an issue, think on one’s feet, and stay persuasive even while arguing against one’s own prior position.

Themes & Participation

The competition will be conducted across two themes, each drawing participants from different field of study. Every theme carries its own independent set of winners and prize money, as detailed below.
