MESSAGE FROM PRINCIPAL

Dear Esteemed Participants,

It is with immense pleasure and enthusiasm that I extend a warm invitation to each one of you to participate in the 5th RILS Inter University Moot Court Competition at Ramaiah Institute of Legal Studies. The foundation within the classroom is merely the foundation.

The true test of a legal mind lies in its application in the real world and the Moot Court Competition serves as a platform for this very purpose. This event is designed not only to motivate and challenge students but also to shed light on critical court issues, fostering a deeper understanding of the complexities of the legal landscape. The Moot Court Competition provides a unique opportunity for students by going beyond theoretical knowledge, developing essential skills such as confidence, leadership, and advocacy – qualities that are indispensable in the legal profession. At Ramaiah Institute of Legal Studies, we strongly believe in nurturing well-rounded individuals who possess critical thinking, effective communication, leadership skills and a strong foundation in advocacy. The 5th RILS Inter University Moot Court Competition perfectly aligns with our vision and we encourage each one of you to actively participate and immerse yourselves in this enriching experience.

Best wishes for a successful and enlightening competition.

Dr. Vinayaka K
Principal, RILS

ABOUT RILS MOOT COURT COMMITTEE

The Moot Court Committee of RILS established in 2018, serves as the Institute's principal body for coordinating all mooting activities. The Committee is committed to encouraging, promoting and administering student mooting in a fair and equitable manner thereby enabling students to cultivate proficiency in oral advocacy, legal research and drafting.

The Committee's flagship initiative is the Inter-University Moot Court Competition, the fifth edition of which is being held this year following four successful editions. This annual event convenes aspiring legal professionals from different institutions across the country and provides a premier platform for them to demonstrate advocacy skills, engage with complex legal questions and foster academic collaboration.

The Intra-Moot Court Competition serves as the principal training platform for RILS students who participate as speakers and researchers and submit memorials for both sides of the moot proposition. Workshops, orientations and advocacy training complement these activities.

Through these initiatives, the Committee seeks to identify and nurture advocacy talent and to equip students with essential skills in legal research, analysis and presentation. In doing so, it prepares them for participation in prestigious national and international moot court competitions and for meaningful careers in the legal profession.

FROM THE DESK OF THE MCC

Dear Participants,

Healthcare, public resources and the Constitution rarely sit comfortably together. For the 5th RILS Inter-University Moot Court Competition, to be held from 11th to 13th December 2026, we ask you to bring all three into the same courtroom.

This edition is set in the Republic of Navira, where the fate of patients living with rare and lifelong conditions has reached the doors of its Supreme Court. It draws on constitutional obligation, public health policy and judicial ethics, and it asks questions that do not have easy answers. What began as a question of policy has become a contest between the individual's need for treatment and the State's claim to administrative discretion and fiscal prudence.

Facts open the case. The Constitution decides it.

A patient whose need is lifelong.

A State whose means are not.

Will you stand for the one, or defend the other?

Will you trust the wisdom of the executive, or ask the Court to look beyond it?

Step forward, Counsel. The bench is ready.

Regards,

Moot Court Committee.
