Course Administration

Course Diploma

Participants who attend all lectures and seminars in full and who adhere to the timetable outlined in the official programme will be awarded a Course Diploma. Issuance of the diploma is contingent upon full participation and compliance with the course schedule.

Passport and Visas

Your passport must be valid for the entire duration of your stay. If a visa for Italy is required, you must obtain it before departing from your home country; failure to do so will result in refusal of entry into Italy. Participants arriving via Nice Airport must hold a valid Schengen visa covering both Italy and France.

Please note that visa processing may take more than one month. We therefore strongly recommend initiating the visa application process as soon as your course participation has been confirmed. The Institute cannot be held responsible for any participant who is unable to enter the country, and no refund of the course fee will be issued in such cases.

Insurance – Travel and Health

Each participant is responsible for arranging adequate travel and health insurance for the entire duration of the trip. Under no circumstances will the Institute be liable for medical expenses incurred during a participant's stay in Sanremo.

Travel to Sanremo & Transport

Sanremo is located in northwestern Italy, about 60 km from Nice, France, and is easily accessible by road or train via the Genoa–Ventimiglia railway line. The nearest and most convenient international airport is Nice Côte d'Azur International Airport, approximately one hour away, with extensive international flight connections.

The Institute will organise a transfer service for participants arriving at Nice Airport the day before the course begins and departing at the end of the course.

Accommodation

Accommodation, meals, and all other incidental expenses not included in the registration fee are the responsibility of the participants. The Institute provides a list of local hotels offering special rates for course attendees and can assist with hotel reservations upon request.
