

PROCEDURE DE DEPOT DE CANDIDATURE BOURSE EIFFEL –MASTER

I- Eligibility

Foreign student aged 29 or under (born after March 31st 1997) and not studying in France at the time of the application.

The candidate must be applying for the Eiffel scholarship for the first time (the Eiffel scholarship cannot be combined with another French government scholarship).

The Master degree must be in one of the following fields:

- Science and technology: Biology and Health, Ecological Transition, Mathematics, Engineering Sciences
- Humanities and Social Sciences: History, Language and french Civilization, Law, Political Science, Economics

II- Application process

1. Choose a Master degree at Université Paris Cité and check its eligibility for the Eiffel scholarship:
<https://cloud.u-paris.fr/s/xMWWTaLLY8Tsf> (*The following content is in French*)
2. Check the list of required documents (page 2).
3. Submit your application and complete all information online via the application link on the main page.

Incomplete applications will not be reviewed

4. Pre-selection results announced by UP Cité: between 1st and 4th December 2026

If you are not contacted after this date, it means that Université Paris Cité has not short-listed your application.

5. Final results by Campus France: from 12th april 2027

Campus France will contact the winners by mail.

Required documents (in PDF format)

- Passport/ID card
- CV/Resume in French or English (maximum 2 pages)
- Higher education diploma(s) [with indication of speciality, dates, honors and certified final grades] translated into French or English
- Academic ranking from the previous year (strongly recommended).

If your university does not issue this document, you should ask the person in charge of your courses to issue a signed certificate mentioning your overall ranking and situation within your class and the number of students in the class/year.

- Academic transcripts from the last three years, referring to all your completed courses in France and/or abroad, translated into French or English.
- Language certificate or diploma, corresponding to the language in which the Master's course is taught
- Professional project written in French or in English (1 to 2 pages) explaining the choice of your studies in France in relation to previous studies and/or future professional career.

You can join too your project an argued opinion from a professional working outside Université Paris Cité (for example, from a company)

This project can be backed up by a professional and/or academic references.

- In the case of a BIDIPLOMATION (double degree/diploma), the higher education institution must attach the agreement and specify the terms and conditions of the procedure between institutions.
