

UNODC supports countries in fulfilling their obligations and commitments under the UN Protocols and several multilateral agreements. As part of this work, UNODC provides a list of services to partner countries and regions, which include:

1

KNOWLEDGE AND EVIDENCE ON HUMAN TRAFFICKING AND MIGRANT SMUGGLING TO IMPROVE COLLECTIVE UNDERSTANDING OF THESE CRIMES

Conduct analysis and provide insights on key human trafficking and migrant smuggling concepts to help partners improve their understanding of and responses to these crimes in line with international and human rights principles and standards. UNODC provides guidance and insights through key knowledge products such as the following:

- › Thematic/background/issue papers,
- › Toolkits for practitioners and policymakers,
- › Policy analyses,
- › Situation briefs,
- › Studies on trends, patterns, and prevalence of these crimes, and
- › Technical guidance.

2

AWARENESS-RAISING ON HUMAN TRAFFICKING AND MIGRANT SMUGGLING TO PREVENT THE OCCURRENCE OF THESE CRIMES

Conduct prevention campaigns to educate and/or inform a range of stakeholders about the realities of and responses to these crimes. Services will include:

- › Design and delivery of targeted campaigns globally,
- › Development and dissemination of communication materials,
- › Support to the development of preventive response measures such as hotlines, and
- › Cooperation with the media, youth and other stakeholders.

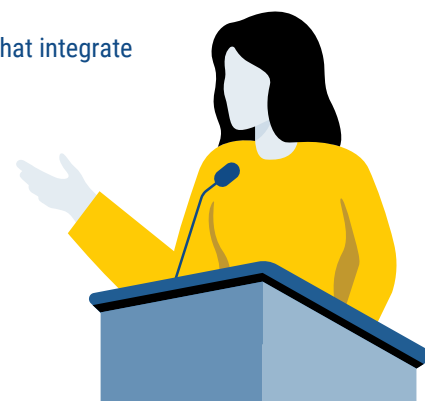

3

LEGAL EXPERTISE TO SUPPORT STRATEGIC PLANNING AND LEGISLATIVE REFORM

Provide legal and technical expertise to develop legislation and policies against human trafficking and migrant smuggling, by considering national crime prevention approaches and exploring related issues such as corruption, gender and human rights. Legal and technical expertise will include the following:

- › Country profiles, gaps and needs analyses,
- › Legislative assessments,
- › Advisory and technical support for legislative reform and policy change that integrate international human rights standards and other best practices, and
- › Substantive technical and coordination support to United Nations bodies, multilateral fora and international organizations.

4

TECHNICAL ASSISTANCE TO SUPPORT THE INVESTIGATION AND PROSECUTION OF HUMAN TRAFFICKING AND MIGRANT SMUGGLING CRIMES

Strengthen the institutional capacity of law enforcement agencies, border control units, judges, prosecutors, NGOs, social service providers and health workers to enable them to prevent, investigate and prosecute human trafficking and migrant smuggling cases following a rights-based and gender equality approach. Technical assistance will include:

- › Tailored trainings including training of trainers on a broad array of topics including, but not limited to, specialized investigation techniques, digital evidence, open-source intelligence, forensic chain of evidence, criminal information analysis, financial investigations, systems analysis of criminal groups, and requesting e-evidence,
- › Mentoring programmes for professionals such as on-the-job training assistance, and
- › Case-based simulated investigations and mock trials.

5

TECHNICAL COOPERATION TO FACILITATE INTERNATIONAL EFFORTS TO COMBAT HUMAN TRAFFICKING AND MIGRANT SMUGGLING

Facilitate and support South-South, North-South and Triangular cooperation among UN Member States to disrupt and dismantle organized criminal groups. Key services include:

- › Facilitation of information exchange among key stakeholders on successful practices to disrupt criminal networks,
- › Supporting the drafting and signing of cooperation agreements,
- › Supporting formal and informal professional networks of criminal justice practitioners, and
- › Supporting judicial cooperation on criminal matters.

6

PROTECTION OF AND ASSISTANCE TO VICTIMS AND SURVIVORS OF HUMAN TRAFFICKING AND MIGRANT SMUGGLING TO ENABLE THEIR RECOVERY AND REINTEGRATION INTO SOCIETY

Promote the inclusion of victims, survivors and persons with lived experiences in trafficking in the design and delivery of anti-trafficking responses and support access to justice and protection for victims and survivors. Key services include:

- › Creation of and support to partnerships with civil society organisations, social service providers and healthcare workers, including survivor and youth-led organisations,
- › Technical assistance on integrating gender-responsive and human rights-based approaches in responses catered to victim and survivor support, and
- › Development of trauma-informed models to support victim and survivor care and engagement.
