CALL FOR PAPERS

CONFERENCE ON

INFORMATION AND COMMUNICATION TECHNOLOGY LAW (ICTLAW)

SCOPE

Conference on Information and Communication Technology Law - ICTLAW is dedicated to presenting current research and analysis of the relevant European and national legal practice, the application of laws and regulations, applicable judicature, supervisory body practices and new developments in the field of information technology law including the areas of personal data protection and privacy, intellectual property, electronic commerce, cybercrime phenomenology and prevention, internet governance, electronic media and electronic communication. The conference will include scientific and professional papers containing original research, an overview of the regulatory practices and proposals *de lege ferenda*. Quantitative research concerning the effectiveness and impact of the current regulative framework and legal practice is especially welcome.

Topics of special interest include but are not limited to:

- Copyright and the Digital Single Market
- Electronic Commerce and Digital Platform Regulation
- Data Protection and Privacy
- Privacy Enhancing Technologies
- Internet Governance and Network Neutrality
- Electronic Signatures and Trust Services
- Electronic Media Regulation
- Regulation of Information Security
- Regulation of Blockchain, Cryptocurrencies and Distributed Financing
- Information Technology and Consumer Rights
- AI Regulation

The conference welcomes submission of scientific papers and presentations or presentations without papers. No-paper presentation fee is 185 EUR (200 EUR from 18 May).

Official languages are English and Croatian.

Accepted papers in English presented at the conference will be submitted for inclusion in the IEEE Xplore Digital Library.

Please forward to your colleagues

ABOUT LOCATION

Opatija is the leading seaside resort of the Eastern Adriatic and one of the most famous tourist destinations on the Mediterranean. With its aristocratic architecture and style, Opatija has been attracting artists, kings, politicians, scientists, sportsmen, as well as business people, bankers and managers for more than 180 years.

The tourist offer in Opatija includes a vast number of hotels, excellent restaurants, entertainment venues, art festivals, superb modern and classical music concerts, beaches and swimming pools – this city satisfies all wishes and demands.

Opatija, the Queen of the Adriatic, is also one of the most prominent congress cities in the Mediterranean, particularly important for its ICT conventions, one of which is MIPRO, which has been held in Opatija since 1979, and has attracted more than a thousand participants from over forty countries. These conventions promote Opatija as one of the most desirable technological, business, educational and scientific centers in South-eastern Europe and the European Union in general.

For more details, please visit www.opatija.hr and visitopatija.com.
